Various follow link		<p>ASFP FOUNDATION COURSE IN PASSIVE FIRE PROTECTION - The Association for Specialist Fire Protection Foundation Course in Passive Fire Protection provides essential knowledge and understanding in this key fire protection specialism.</p> <p>The content of the training embeds current best practice and draws on the technical expertise provided by the ASFP. It aims to equip candidates with the knowledge required to demonstrate competency, while also offering a route for progression and academic recognition in this key fire protection specialism.</p> <p>The training courses are the first in the UK and Ireland to enable candidates to study to obtain a recognised qualification in passive fire protection. Individuals who undertake the training will have the opportunity to progress to new Level 2 and Level 3 qualifications in Passive Fire Protection provided by the Institution of Fire Engineers (IFE), a nationally and internationally recognised awarding organisation regulated by the qualification regulators Ofqual.</p>	<a href="https://asfp.org.uk/asfp-foundation-course-in-passive-fire-protection/">https://asfp.org.uk/asfp-foundation-course-in-passive-fire-protection/</a>
